Subject: Fittings Price Increase

Due to continuing serious availability issues of raw material and additives as well as escalating costs of raw material and freight, NAPCO is announcing a fittings price increase effective immediately of approximately 10% on all fittings.

New price books will be available on our website at www.napcopipe.com ASAP.

If you have any questions, please contact your local NAPCO representative.

Thank you for your continued support and we look forward to continuing to serve your fittings needs.
