Subject: Fittings Price Increase

Due to continued rising costs of raw material and freight, NAPCO is announcing a fittings price increase on September 20, 2021 of approximately 6% on "D" Series DWV fittings and 10% on "G," "H" and other gasketed sewer fittings series.

New price books will be available on our website at [www.napcopipe.com](http://www.napcopipe.com) prior to that date.

If you have any questions, please contact your local NAPCO representative.

Thank you for your continued support and we look forward to continuing to serve your fittings needs.
